NOTE: PAYMENT FOR ADDITIONAL ITEMS FOR CIVIL FOUNDATION WORKS

For working out the rates for supplemental / additional items, the least of the following will be operated.

- a) Direct from CPWD schedule of rates. The cost index (based on formula) for the project site prevailing during the year of reckoning, shall be calculated and applied over the DSR-2007 item rate.
- b) Derived from CPWD rates (While deriving the rate from CPWD, the above procedure (as given in (a)) shall be followed).
- c) If any item could not be derived from the above, Rate will be worked out based on market rate for such item with 15% plus towards contractor's overhead and profit.
